**HEARING OFFICER ORDER**

On January 8, 2004, all parties participated in a telephonic status conference with the hearing officer. The parties represented that a settlement document is being circulated for review and signatures and requested that an extension of time be granted for the filing of their respective answers to The City of Chicago (City) complaint. The respondents further requested that all responses to pending discovery be extended as well. The City had no objection. The respondents' request is granted. Respondents' answers and responses to pending discovery is extended and are due on or before February 27, 2004.

The parties are directed to participate in a telephonic status conference with the hearing officer on February 26, 2004, at 11:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, motions to dismiss are filed by the respective

complainants prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
