Respondents.	)	

OPINION AND ORDER OF THE BOARD (by C.A. Manning):

On December 20, 2001, the Illinois Environmental Protection Agency (Agency) timely filed an administrative citation against Environmental Reclamation Company and Gene Stacey (respondents). *See* 415 ILCS 5/31.1(c) (2000); 35 Ill. Adm. Code 108.202(c). The Agency alleges that respondents violated Sections 21 (o)(5) and 21(o)(12) of the Environmental Protection Act (Act) (415 ILCS 5/21(o)(5), (o)(12) (2000)). The Agency further alleges that respondents violated these provisions by conducting a sanitary landfill operation in a manner resulting in uncovered refuse from a previous operating day, and failure to collect and contain litter at the end of the operating day at a facility located south of Riley Stream in Charleston, Coles County. The administrative citation meets the content requirements of 35 Ill. Adm. Code 108.202(b).

As required, the Agency served the administrative citation on respondents within “60 days after the date of the observed violation.” 415 ILCS 5/31.1(b) (2000); *see also* 35 Ill. Adm. Code 108.202(b). To contest an administrative citation, a respondent must file a petition with the Board no later than 35 days after being served with the administrative citation. If the respondent fails to do so, the Board must find that the respondent committed the violations alleged and impose the corresponding civil penalty. 415 ILCS 31.1(d)(1) (2000); 35 Ill. Adm. Code 108.204(b), 108.406. Here, respondents failed to timely file a petition. Accordingly, the Board finds that respondent violated Sections 21(o)(5) and 21(o)(12) of the Act.

The civil penalty for violating Section 21(o) is \$500 for each violation. 415 ILCS 5/42(b)(4) (2000); 35 Ill. Adm. Code 108.500(a). Because there are two violations of Section 21(o), the total civil penalty is \$1,000. Under Section 31.1(d)(1) of the Act, the Board attaches the administrative citation and makes it part of the order below.

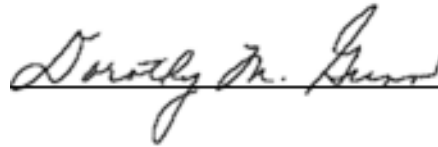

**ORDER**

1. Environmental Reclamation Company and Gene Stacey (respondents) must pay a civil penalty of \$1,000 no later than March 11, 2002, which is the 30th business day after the date of this order.
2. Respondents must pay the civil penalty by certified check or money order, made payable to the Illinois Environmental Protection Trust Fund. The case number, case name, and respondents' social security number or federal employer identification number must be included on the certified check or money order.
3. Respondents must send the certified check or money order and the remittance form to:  
  
Illinois Environmental Protection Agency  
Fiscal Services Division  
1021 North Grand Avenue East  
P.O. Box 19276  
Springfield, Illinois 62794-9276
4. Penalties unpaid within the time prescribed will accrue interest under Section 42(g) of the Environmental Protection Act (415 ILCS 5/42(g) (2000)) at the rate set forth in Section 1003(a) of the Illinois Income Tax Act (35 ILCS 5/1003(a) (2000)).
5. Payment of this penalty does not prevent future prosecution if the violations continue.

IT IS SO ORDERED.

Section 41(a) of the Environmental Protection Act provides that final Board orders may be appealed directly to the Illinois Appellate Court within 35 days after the Board serves the order. 415 ILCS 5/41(a) (2000); *see also* 35 Ill. Adm. Code 101.300(d)(2), 101.906, 102.706. Illinois Supreme Court Rule 335 establishes filing requirements that apply when the Illinois Appellate Court, by statute, directly reviews administrative orders. 172 Ill. 2d R. 335. The Board's procedural rules provide that motions for the Board to reconsider or modify its final orders may be filed with the Board within 35 days after the order is received. 35 Ill. Adm. Code 101.520; *see also* 35 Ill. Adm. Code 101.902, 102.700, 102.702.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above opinion and order on February 7, 2002, by a vote of 7-0.

A handwritten signature in cursive script, reading "Dorothy M. Gunn", written over a horizontal line.
