

ILLINOIS POLLUTION CONTROL BOARD
August 31, 1989

IN THE MATTER OF:)
)
EXEMPTIONS FROM THE) R 89-8
DEFINITION OF VOM)

ORDER OF THE BOARD (by J. Anderson):

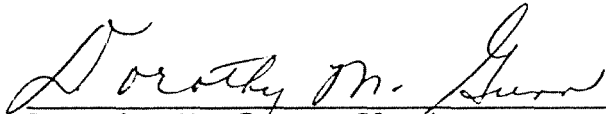

On August 10, 1989, the Illinois Environmental Protection Agency ("Agency") moved the Board to hold a public hearing in this matter. The Agency, in consultation with the USEPA, stated that a hearing is required because the rule would constitute a revision to the State Implementation Plan for Ozone; the Agency refers the Board to Section 110(a) of the Clean Air Act (42 U.S.C.A. par. 7401 et seq. (1983)) and 40 CFR 51.102 and 51.104 (1988).

The Board appreciates the Agency's information and denies the Agency's motion only because it is moot; the Board has already scheduled a hearing to be held on September 26, 1989.

We also note that the enabling legislation, H.B. 1688, was signed by the Governor on August 30, 1989 (P.A. 86-0366). Therefore, the Agency's alternate motion to dismiss these proceedings if S.B. 1688 is not signed is also denied.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 31st day of August, 1989, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
