)
RCRA SUBTITLE C UPDATE, USEPA) R22-5
REGULATIONS (January 1, 2021 through) (Identical-in-Substance Rulemaking -
June 30, 2021)) Land)

Proposed Rule. Dismissal Order.

ORDER OF THE BOARD (by A. Palivos):

Sections 7.2 and 22.4(a) of the Environmental Protection Act (Act) (415 ILCS 5/7.2 and 22.4(a) (2020)) require the Board to adopt regulations that are “identical in substance” to hazardous waste regulations adopted by the USEPA. These USEPA rules implement Subtitle C of the federal Resource Conservation and Recovery Act of 1976 (RCRA Subtitle C) (42 U.S.C. §§ 6921 *et seq.* (2019)). USEPA has codified the federal hazardous waste rules as 40 C.F.R. 260 through 266, 268, 270, 271, 273, and 279.

The Board reserved this docket for USEPA amendments during the period between January 1, 2021 and June 30, 2021. During that period, USEPA took no action regarding its RCRA Subtitle C regulations that require Board action.

USEPA, however, revised analytical methods incorporated by reference in the hazardous waste regulations. The Board will update that incorporation by reference to include USEPA’s revisions in RCRA Subtitle C Update, USEPA Regulations (July 1, 2020 through December 31, 2020), R21-13.

No action is necessary in this docket, and the Board dismisses this docket.

IT IS SO ORDERED.

I I, Tim Fox, Acting Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on July 29, 2021, by a vote of 4-0.

Tim Fox, Acting Clerk
Illinois Pollution Control Board
