HEARING OFFICER ORDER

On November 14, 2016, respondent filed the record in this proceeding. To date, the Board has not received a certification of that record. Section 105.116(b) of the Board's procedural rules provides that the record must be certified. The certificate must contain an index that lists the documents comprising the record and shows the page numbers upon which each document starts and ends. Accordingly, respondent is directed to file the required certification of the record in this case by December 20, 2016.

The parties are reminded to participate in a telephone status conference with the hearing officer at 10:00 a.m. on January 9, 2017. The status conference shall be initiated by the petitioner.

The parties have authorized electronic service, and petitioner has filed an open waiver of the decision deadline.
