 Respondent. )

ORDER OF THE BOARD (by C.A. Manning):

On September 13, 1995, the Illinois Environmental Protection Agency (Agency) and Coles County Landfill filed a notice of extension of the 35-day appeal period pursuant to Section 40 of the Act, relating to an August 9, 1995 Agency determination.

P.A. 88-690 (SB1724) effective January 24, 1995, amends Section 40(a)(1), which governs the permit appeal process, to provide:

the 35-day period for petitioning for a hearing may be extended for a period of time not to exceed 90 days by written notice provided to the Board from the applicant and the Agency within the initial appeal period.

As the Board maintains its files by docket number only, the Board will reserve Docket PCB 96-57 for any appeal which may be filed by Coles County Landfill. In the event that Coles County Landfill fails to file an appeal on or before December 12, 1995 (the 125th day after August 9, 1995), the Board will dismiss the docket as unnecessary. A \$75.00 filing fee will, of course, be required at such time as Coles County Landfill files such petition.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 21<sup>st</sup> day of September, 1995, by a vote of 7-0.

  
Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board
