IN THE MATTER OF:

PETITION OF NOVEEN, INC.)
FOR AN ADJUSTED STANDARD FROM) AS 02-5
35 ILL. ADM. CODE 304.122) (NPDES Adjusted Standard)

HEARING OFFICER ORDER

On May 13, 2003, all parties participated in a telephonic status conference with the hearing officer. The parties represented that discussions have been ongoing in this matter and the related PCB 91-17 matter. The discussions center on an ammonia issue and a discharge control equipment issue, which are related to both cases. The Illinois Environmental Protection Agency filed a motion for extension of time to file its recommendation, to and including June 16, 2003. The petitioner had no objection. Respondent's motion is granted. To that end, the parties are directed to submit a proposed discovery schedule on or before July 11, 2003. It is still anticipated that this matter and the related matter will go to hearing in October 2003.

The parties are directed to participate in a telephonic status conference on July 17, 2003, at 10:30 a.m. The conference shall be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
