ORDER OF THE BOARD (by B. Forcade):

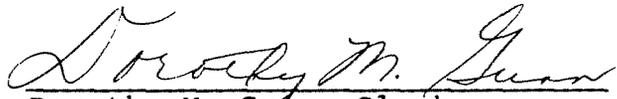

On September 12, 1988, the Village of Sugar Grove filed a petition for variance. That petition is deficient in that it fails:

to explain why five years are necessary to implement the compliance option of blending. Specifically, the petition fails to explain why construction of the watermains, storage tank and booster pump described in paragraph 2(f) could not be completed in 1989.

Unless an amended petition is filed within 45 days of the date of this Order, curing the above-noted defect, this matter will be subject to dismissal.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 23rd day of September, 1988, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
