As a long term asthma patient, I can attest the misery that this ailment causes. It comes on suddenly and requires immediate medication, the feeling of strangulation is horrifying. Please don't allow the big corporation CEO's to overrule the limits set in order to protect everyday folks from their pollution. They ARE damaging peoples' health.

Subject: No Free Pass for Dynegy to Pollute! Case Number: PCB 2014-010

Dear Illinois Pollution Control Board,

Don't give Illinois coal plants a free pass to pollute. I urge you to reject the request (PCB 2014-010) to let five coal plants violate Illinois air pollution limits for the next five years.

Sincerely,  
Robert Pancner
