Dear Clerk Dorothy Gunn &
The Illinois Pollution
Control Board,

Please don't allow the
Cary Waste Transfer Plant
to go through in Cary in
the residential area so
close to the Hallock Conserv-
ation Area and the Bright
Oaks Townhomes. Garbage
in our backyards will
have a detrimental effect
on our way of life & will
be harmful to our citizens &
wildlife. Please tell Mr.
Lowe to try & make his
money in an area where
people & wildlife don't
live. Thank you so much.

Sincerely,
