<p>NOTICE OF PUBLIC HEARING ON FINANCING OF MULTI-FAMILY HOUSING DEVELOPMENT</p> <p>Notice is hereby given that on May 23, 2014 at 10:00 a.m. in the Council Chambers of the City of Chicago, City Hall, Room 201, 121 North LaSalle Street, Chicago, Illinois, a public hearing will be held before the Committee on Finance of the City Council of the City of Chicago (the "City"), or its designee, regarding the proposed incurrence by the City of a multi-family housing revenue obligation pursuant to a plan of financing, in an aggregate principal/face amount not to exceed \$27,000,000 for the Parkside IIB Rental project also known as Parkside of Old Town Phase IIB (the "Multi-Family Housing Financing"). The proceeds of the Multi-Family Housing Financing will be used by Parkside Phase IIB, LP, an Illinois limited partnership (the "Borrower"), for the acquisition, construction, rehabilitation, development, and equipping of a multi-family residential project and related common areas along with parking lot facilities located at 459 West Division Street and 1151 North Cleveland Avenue in Chicago, Cook County, Illinois and consisting of approximately 106 residential dwelling units which will include 43 market-rate units, 27 affordable units and 36 units which will be leased to public housing residents (collectively, the "Project"). The owner and operator of the facilities being financed or refinanced with the proceeds of the Multi-Family Housing Financing is the Borrower.</p> <p>The City will enter into the Multi-Family Housing Financing pursuant to its powers as a home rule unit of local government duly organized and validly existing in accordance with the provisions of Article VII, Section 6 of the 1970 Constitution of the State of Illinois and an ordinance adopted by the City Council of the City. The Multi-Family Housing Financing will not be a general obligation of the City, the State of Illinois, or any political subdivision thereof, but will be a special, limited obligation of the City. The principal of, prepayment premium, if any, and interest on the Multi-Family Housing Financing will be payable solely from amounts received from the Borrower to repay the City's loan of the proceeds of the Multi-Family Housing Financing and from any other funds pledged and assigned to the repayment of the Multi-Family Housing Financing (except to the extent such principal, prepayment premium, or interest is payable from Multi-Family Housing Financing proceeds, the income from the temporary investment of Multi-Family Housing Financing proceeds, and moneys derived from instruments delivered in connection with the Borrower's loan). The Multi-Family Housing Financing will not constitute an indebtedness or an obligation of the City, the State of Illinois, or any political subdivision of the State of Illinois within the purview of any constitutional limitation or statutory provision. No holder of the Multi-Family Housing Financing will have the right to compel any exercise of the taxing power of the City, the State of Illinois, the United States of America, or any political subdivision of any of them to pay the principal of, prepayment premium, if any, or interest on the Multi-Family Housing Financing.</p> <p>The above-noticed public hearing is required by Section 147(f) of the Internal Revenue Code of 1986, as amended. Any person having any views on the proposed incurrence of the Multi-Family Housing Financing may appear at such public hearing to be heard, or may submit written comments to the City Clerk at 121 North LaSalle Street, Room 107, Chicago, Illinois 60602, no later than 5:00 p.m. on May 22, 2014.
