**HEARING OFFICER ORDER**

On May 20, 2004, all parties participated in a telephonic status conference with the hearing officer. The petitioner represented that it forwarded an application for a permit modification to the respondent for review. If approved, it will then proceed to publication.

The parties are directed to participate in a telephonic status call with the hearing officer on July 29, 2004, at 10:00 a.m. The status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a motion to voluntarily dismiss is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
