HEARING OFFICER ORDER

On September 9, 2021, all parties participated in a telephonic status conference with the hearing officer. The parties continue to dispute the sound measurements and location of respondent's testing. Complainant wants sound measurements taken from his neighbors' boundaries, not only his.

Complainant was given until October 12, 2021, to file an amended complaint adding additional complainants. Respondent stated that it will file a motion for summary judgement on or before October 12, 2021.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on October 21, 2021, at 10:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. The respondent will provide the call-in number.

IT IS SO ORDERED.
