ORIGINAL

**HEARING OFFICER ORDER**

On August 14, 2014, all parties participated in a telephonic status conference with the hearing officer. The complainant stated that it has received a referral from the Illinois Environmental Protection Agency regarding similar alleged violations. The complainant stated that it is likely that it will file a complaint in the circuit court and subsequently voluntarily dismiss the above-captioned enforcement matter.

It is noted that should a motion to voluntarily dismiss not be filed and this matter moves forward, it will be necessary to revisit the discovery schedule.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on October 23, 2014, at 9:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
