**HEARING OFFICER ORDER**

On September 15, 2016, all parties participated in a telephonic status conference with the hearing officer. The parties stated that the Illinois Environmental Protection Agency (Agency) has reviewed the latest sampling report completed by the respondent. The Agency has forwarded its comments to the respondent. Complainant stated that it has forwarded a draft settlement document to the respondent. The respondent stated that it will forward its comments within the next seven days. The complainant stated that the parties are fully cooperating with one another in an effort to resolve this enforcement matter and requested that another status conference be scheduled for sixty days.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on November 16, 2016, at 10:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance.
