Repealed Rule.                      Final Order.

OPINION AND ORDER OF THE BOARD (by C.A. Manning):

Pursuant to Section 5-15 of the Illinois Administrative Procedure Act (APA) (5 ILCS 100/5-15) and Section 140/4 of the Freedom of Information Act (FOIA) (5 ILCS 140/4), the Board is required to maintain current administrative rules which describe how the Board is organized, how it operates, and how it provides the public access to information. By today's action, we hereby repeal the Board's current rules which were last adopted and amended in 1984. In a separate rulemaking, docketed as R96-15, we are adopting new administrative rules which reflect the Board's current organizational structure, our rulemaking proceedings and the most current innovations of the Board's public access and the electronic access via the Board's Home Page on the World Wide Web of the Internet.

Our repeal of the Board's former administrative rules is effective immediately upon the filing of this opinion and order with the Secretary of State and this repealer will appear in the *Illinois Register* along with the Board's new administrative rules, which will be found at 2 Ill. Adm. Code 2175.

**ORDER**

The Board hereby repeals the administrative rules which were originally adopted on December 21, 1984 as they appear at 2 Ill. Adm. Code 2175.10 through 2175.380.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above opinion and order was adopted on the 18<sup>th</sup> day of January 1996, by a vote of 7-0.
