 ORIGINAL

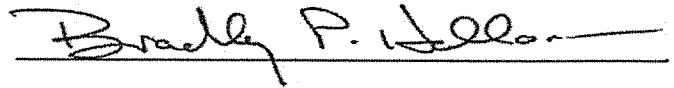

HEARING OFFICER ORDER

On January 28, 2016, all parties participated in a telephonic status conference with the hearing officer. The complainant stated at the conference and in an e-mail status that in April it intends to submit a report to the United States Environmental Protection Agency (USEPA) and the Illinois Environmental Protection Agency (Agency) indicating that no additional work at the 55th Street Interceptor beyond that which is ongoing will be necessary. The complainant does not expect any response from either the USEPA or the Agency.

The complainant further stated that it intends to file a motion to voluntarily dismiss the above-captioned matter after the expiration of thirty days of its submittal to the USEPA and the Agency. The parties were in agreement and requested that any ruling on any outstanding motions and matters be held in abeyance. The parties agreed request is granted.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on April 28, 2016, at 10:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. The complainant represented that it will notify the parties and the hearing officer of a call-in number prior to the next telephonic status conference. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter.
