## Petition opposing the Lowe waste transfer station

We the people support the decision of our McHenry County elected officials who denied Marshal Lowe's waste transfer station application on May 6<sup>th</sup>, 2003 because three out of the nine criterions would not be met.

**Criterion #2** The facility is so designed, located and proposed to be operated that the public health, safety and welfare will be protected.

**Criterion #3** The facility is located so as to minimize incompatibility with the character of the surrounding area and to minimize the effect on the value of the surrounding property.

**Criterion #5** The plan of operations for the facility is designed to minimize the danger to the surrounding area from fire, spills, or other operational accidents.

Please add this petition to the Illinois Pollution Control Board Public Hearing of Thursday, August 14<sup>th</sup>, 2003 held at the Cary Junior High School.
