HEARING OFFICER ORDER

On November 16, 2016, all parties participated in a telephonic status conference with the hearing officer. The parties stated that they have continued with settlement discussions and that respondent has recently forwarded a settlement offer to the complainant. Complainant stated that recently all the residents in the District attended a meeting regarding the possibility that the City may take over the sewer service. Apparently this may necessitate a change in the settlement language.

It was again agreed that due to the progress on settlement discussions, any deadlines for answering the request to admit or responding to the outstanding motions, including responding respondent's motions for clarification and reconsideration filed August 24 and 25, 2016, be stayed and revisited until the next status conference.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on January 18, 2017, at 1:30 p.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing

IT IS SO ORDERED.
