ORIGINAL

HEARING OFFICER ORDER

On May 13, 2014, all parties participated in a telephonic status conference with the hearing officer. Discussions centered on the possibility of stipulating to some of the documents sought to be entered at hearing and stipulations regarding some witnesses and deposition excerpts. The parties appear to be optimistic that numerous stipulations could be achieved. Other discussions involved the hearing officer order issued on May 12, 2014 and how to address it procedurally.

In light of the parties' representations that stipulations could be achieved, the response time for any pre-hearing motions was extended to May 19, 2014.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on May 20, 2014, at 11:00 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
