HEARING OFFICER ORDER

On May 6, 2004, all parties participated in a telephonic status conference with the hearing officer. The respondent represented that the parties have been exchanging draft settlement documents to the complainants for review and comment. The respondent also represented that the building plans should be available within 3 weeks. The respondent will then proceed to interior design and applying for the appropriate building permits from the Village.

The parties are directed to participate in a telephonic status conference with the hearing officer on July 8, 2004, at 9:30 a.m. The status conference must be initiated by the complainants, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
