AGREED MOTION FOR LEAVE TO SUPPLEMENT THE RECORD REQUIRED BY 35 ILL. ADM. CODE 107.304 TO ADD ADDITIONAL MISSING TRANSCRIPTS FROM THE LOCAL SITING HEARING

Respondent, Round Lake Park Village Board, with the agreement of the parties in this case, moves for leave to supplement the record required by 35 Ill. Adm. Code 107.304 to add additional missing transcripts from the local siting hearing, and withdraws its previous motion to supplement, and in support thereof, states as follows:

In the original record filed with the Pollution Control Board, Respondent Round Lake Park Village Board had problems with its copy service missing portions of the record, which it had to copy and scan before filing. Although Respondent Round Lake Park Village Board thought that it had caught all of the missing portions of the record not copied by its copy service, it missed transcripts that were not included in the original record. The entire record has been reviewed, and Respondent Round Lake Park Village Board has found additional transcripts of the local siting hearing that were not included, specifically, the transcript for September 25, 2013 at 12 noon, September 30, 2013 at 3:00 p.m., and September 30, 2013 at 6:00 p.m. Respondent Round Lake Park Village Board is confident that no further supplement will be required if this request is granted.

Attorney for the Petitioner, Michael S. Blazer, Attorney for Respondent, Groot Industries, Inc., Richard Porter, and Attorney for the Village of Round Lake Park agreed to this motion during a conference call with Hearing Officer Bradley Halloran on March 20, 2014 at 2:00 p.m.

WHEREFORE, Respondent, Round Lake Park Village Board, respectfully requests that the Pollution Control Board enter an order allowing Respondent Round Lake Park Village Board to supplement the record required by 35 Ill. Adm. Code 107.304 to add additional missing transcripts from the local siting hearing, and for such further and other relief as this Board deems just and proper.

Respectfully Submitted,
Village Board of Round Lake Park,
Respondent
