ORDER OF THE BOARD (by C.M. Santos):

On September 14, 2021, Koppers Inc. (Koppers) timely filed a petition asking the Board to review an August 10, 2021 determination of the Illinois Environmental Protection Agency (IEPA). *See* 415 ILCS 5/40(a)(1) (2020); 35 Ill. Adm. Code 101.300(b), 105.206(e). Koppers applied for a permit to construct and a lifetime permit to operate two boilers at its manufacturing plant at 1291 State Route 41 in Galesburg, Knox County. In its determination, IEPA issued a construction permit but denied the application for an operating permit.

On September 28, 2021, Koppers withdrew its appeal. In its withdrawal, Koppers states that, “[o]n September 27, 2021, IEPA issued a Lifetime Operating Permit to Koppers, rendering its appeal moot.”

The Board accepts Koppers’ withdrawal of its appeal, dismisses the appeal, and closes the docket.

IT IS SO ORDERED.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above opinion and order on October 7, 2021, by a vote of 4-0.
