ORDER OF THE BOARD (by J. Theodore Meyer):

This matter is before the Board on a July 12, 1988 motion for substitution of petitioning party. Borden Chemicals and Plastics Operating Limited Partnership (Borden Chemicals and Plastics) asks that it be substituted for Borden Chemical Company as petitioner in this request for site specific rule change. The motion states that in November 1987 the Illiopolis, Illinois facility, which is the subject of this petition, was sold by Borden Chemical Company to Borden Chemicals and Plastics. The motion further states that this new ownership of the Illiopolis facility has not changed the facts or circumstances surrounding the proposed rule change, and that the requested site specific rule remains necessary. Attached to the motion is an affidavit by Anthony S. D'Amato, Chairman and Chief Executive Officer of BCP Management, Inc., General Partner of Borden Chemicals and Plastics Operating Limited Partnership. The affidavit states that Borden Chemicals and Plastics adopts the testimony and documentation in the record of this proceeding.

The motion to substitute Borden Chemicals and Plastics as petitioner in this proceeding is granted. The caption of this proceeding is hereby changed to reflect this substitution.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 4th day of August, 1988, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
