**HEARING OFFICER ORDER**

On June 3, 2004, petitioner participated in a telephone status conference with the hearing officer. Respondent did not appear. As last reported, petitioner has learned that respondent needs a site classification work plan which would require borings for test samples. Petitioner first wants to be sure that respondent will reimburse these costs, but has not heard back from respondent's technical unit. At the next status conference, petitioner should be prepared to answer the question of how it will proceed with the case if the costs are not reimbursed.

The parties are directed to participate in a telephone status conference with the hearing officer at 11:30 a.m. on July 6, 2004. The status conference shall be initiated by the petitioner.

Petitioner has filed an open waiver of the decision deadline in this case.

IT IS SO ORDERED.
