RECEIVED
CLERK'S OFFICE

AUG 21 2003

STATE OF ILLINOIS
Pollution Control Board

— PC#29

Dear Dorothy Gunn

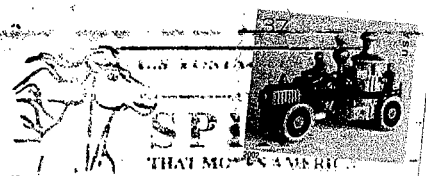

I am writing to express my concern about the above referenced case about Mr. Lowe's application to create a waste transfer station along Rte. 14 near my home.

Mr. Lowe's application does not meet the criteria for siting a waste transfer station and his application should be refused for creating any such facility in that area. Frankly, any such facility must not be allowed near residential areas.

Thank you for your time.

Jeff Lyter
