ORDER OF THE BOARD (by J. Anderson):

On November 28, 1988, Morton Thiokol, Inc., Morton Chemical Division (Morton Thiokol) filed an emergency motion requesting that hearing in this matter be permanently cancelled. At its November 29, 1988 Board meeting, the Board issued an order holding that Morton Thiokol's motion did not constitute an emergency, and held it for Agency reply.

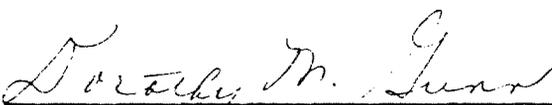

On November 29, 1988, the Agency moved to file its recommendation instanter, which motion is granted. On December 7, 1988, the Agency filed its reply and on December 12, 1988 the Agency stated by letter that it had subsequently received a letter, which it attached, on December 5, 1988 from Patricia A. Malo. Ms. Malo stated that she does not wish to request hearing in this matter, but continues to express environmental concerns.

After reviewing the filings, the Board has determined that, on balance, a hearing should be held; the Board hereby instructs the Hearing Officer to proceed with the hearing scheduled for January 6, 1989.

IT IS SO ORDERED.

Board Member R. Flemal dissented.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 15<sup>th</sup> day of December, 1988, by a vote of 6-1.
