INSPECTION REPORT NARRATIVE

Curt White of DLPC/FOS Champaign Regional Office reinspected this site on January 15, 2004. The weather conditions during this inspection were sunny and 30° F. No interviews were conducted at the time of the inspection. The initial inspection was conducted as a result of a citizen complaint.

The site is located at 200 W. Franklin Street, Bement, IL. Herbert Lust owns the site. The mailing address for Herbert Lust is PO Box 197, Bement, IL 61813. A copy of the deed from the Piatt County Clerks Office in Monticello, IL determined the ownership.

Bement Plumbing Supply are builders of complete municipal water supplies, they do extension repairs, pressure tap connections, line chlorination, hydrostatic testing, iron filter, softener media, specialize in roadboring & casing, water treatment plant work and electronic leak detecting.

This inspection was conducted in accordance with Sections 4(c) and (d) of the Illinois Environmental Protection Act ("Act"). The purpose of this inspection was to determine if the site is in compliance with the Act and Regulations.

JANUARY 15, 2004 INSPECTION FINDINGS

I arrived on the property at 9:55 am. I knocked on the door at the office/shop at the site. Nobody answered the door. I walked to the north part of the property and the area of scattered litter inspected at the previous inspection had been removed from the site (see photo 1). I walked west to the landscape/waste pile. I informed Mr. Lust by phone and in person that he could burn the landscape waste but must remove all litter from the landscape/waste pile. Mr. Lust informed he would remove all litter before burning the landscape waste. The landscape/waste pile had been burned at the site. I inspected the 20' x 15' x 2 open burn pile and observed ceramic tile, concrete, bricks, cans, metal piping, lumber, asbestos piping, shingles, ash and other litter (see photos 2 thru 5). The evidence showed that the litter was not removed before the landscape waste was burned at the site. I left the site at 10:15 am.
