OPINION AND ORDER OF THE BOARD (by J.P. Novak):

On January 23, 2004, the Illinois Environmental Protection Agency (Agency) timely filed an administrative citation against V-Max Materials, Inc. (V-Max Materials). See 415 ILCS 5/31.1(c) (2002); 35 Ill. Adm. Code 108.202(c). The Agency alleged that V-Max Materials violated Section 21(p)(1) of the Environmental Protection Act (Act) (415 ILCS 5/21(p)(1) (2002)). The Agency further alleges that V-Max Materials violated this provision by causing or allowing the open dumping of waste in a manner that resulted in litter along Interstate 55 between mile markers 219 and 220, in Grundy County.

As required, the Agency served the administrative citation on V-Max Materials within “60 days after the date of the observed violation.” 415 ILCS 5/31.1(b) (2002); see also 35 Ill. Adm. Code 108.202(b). To contest an administrative citation, a respondent must file a petition with the Board no later than 35 days after being served with the administrative citation. If the respondent fails to do so, the Board must find that the respondent committed the violation violations alleged and impose the corresponding civil penalty. 415 ILCS 31.1(d)(1) (2002); 35 Ill. Adm. Code 108.204(b), 108.406. Here, V-Max Materials failed to timely file a petition. Accordingly, the Board finds that V-Max Materials violated Section 21(p) of the Act.

The civil penalty for violating Section 21(p) is \$1,500 for a first offense and \$3,000 for a second or subsequent offense. 415 ILCS 5/42(b)(4-5) (2002); 35 Ill. Adm. Code 108.500(a). Because there is one violation of Section 21(p) and this violation is a first offense, the total civil penalty is \$1,500. Under Section 31.1(d)(1) of the Act, the Board attaches the administrative citation and makes it part of the order below.

This opinion constitutes the Board’s finding of fact and conclusions of law.

**ORDER**

1. V-Max Materials must pay a civil penalty of \$1,500 no later than April 5, 2004, which is the 30th day after the date of this order.

2. V-Max Materials must pay the civil penalty by certified check or money order, made payable to the Illinois Environmental Protection Trust Fund. The case number, case name, and V-Max Materials's social security number or federal employer identification number must be included on the certified check or money order.
3. V-Max Materials must send the certified check or money order and the remittance form to:

Illinois Environmental Protection Agency  
Fiscal Services Division  
1021 North Grand Avenue East  
P.O. Box 19276  
Springfield, Illinois 62794-9276

4. Penalties unpaid within the time prescribed will accrue interest under Section 42(g) of the Environmental Protection Act (415 ILCS 5/42(g) (2002)) at the rate set forth in Section 1003(a) of the Illinois Income Tax Act (35 ILCS 5/1003(a) (2002)).
5. Payment of this penalty does not prevent future prosecution if the violation continues.

IT IS SO ORDERED.

Section 41(a) of the Environmental Protection Act provides that final Board orders may be appealed directly to the Illinois Appellate Court within 35 days after the Board serves the order. 415 ILCS 5/41(a) (2002); *see also* 35 Ill. Adm. Code 101.300(d)(2), 101.906, 102.706. Illinois Supreme Court Rule 335 establishes filing requirements that apply when the Illinois Appellate Court, by statute, directly reviews administrative orders. 172 Ill. 2d R. 335. The Board's procedural rules provide that motions for the Board to reconsider or modify its final orders may be filed with the Board within 35 days after the order is received. 35 Ill. Adm. Code 101.520; *see also* 35 Ill. Adm. Code 101.902, 102.700, 102.702.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above opinion and order on March 4, 2004, by a vote of 5-0.
