ORDER OF THE BOARD (J. Yi):

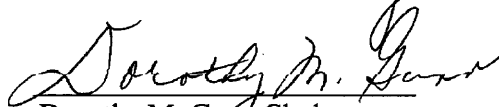

On June 12, 1995, Brunetto Brothers Mobil (Brunetto) filed a petition for review of an Illinois Environmental Protection Agency (Agency) modification of Brunetto's Leaking Underground Storage Tank Soil Classification and Groundwater Investigation Plan on May 5, 1995. The final determination concerns Brunetto's facility located at 501 East Central, Benld, Macoupin County, Illinois. This matter was accepted for hearing on June 15, 1995. On July 10, Brunetto filed a notice of waiver of 120-day decision period.

On January 30, 1996, the Agency filed a petition to file record and motion to file record instanter. The Agency states that the assigned attorney was unable to complete preparation of the Agency record within 14 days upon notice of the June 12, 1995 petition and the Agency feels that filing of the record instanter does not prejudice the petitioner.

The Board accepts the Agency's record and grants Agency motion to file record instanter.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 15<sup>th</sup> day of February, 1996, by a vote of 7-0.
