ORDER OF THE BOARD (T.E. Johnson):

This matter is before the Board pursuant to a petition for variance filed by GBF Graphics, Inc. (GBF) on November 28, 2001. In the petition, GBF requests a variance from the volatile organic material (VOM) control requirements of 35 Ill. Adm. Code 218.405(e) for its printing facility located at 7300 Niles Center Road, Skokie, Cook County.

On January 10, 2002, the Board entered an order finding the petition technically deficient and directed GBF to provide additional information within 45 days of that order (February 24, 2002) or be subject to dismissal of the petition. To date, the Board has not received any additional information. Accordingly, this case is dismissed and the docket will be closed.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on March 21, 2002, by a vote of 7-0.
