HEARING OFFICER ORDER

On June 17, 2004, a telephonic status conference was held. Neither party appeared, however, the petitioner informed the hearing officer on June 18, 2004, that it intends to file a motion for clarification prior to the next status conference of the December 18, 2003, Board order where it appears that the petitioner may be appealing the August 6, 2003 high priority corrective action plan budget rejection (as addressed in the December 18, 2004 Board order), and the September 8, 2003 partial rejection of the application for payment from the underground storage tank fund.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on July 22, 2004, at 9:15 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
