OPINION AND ORDER OF THE BOARD (by C.M. Santos):

On November 5, 2021, the Office of the Attorney General, on behalf of the People of the State of Illinois (People), filed a one-count complaint against Nomani Estate, LLC, d/b/a Amstar (Amstar). The complaint concerns Amstar's gasoline dispensing facility located at 13800 South Halsted Street in Riverdale, Cook County. The parties now seek to settle without a hearing. For the reasons below, the Board accepts the parties' stipulation and proposed settlement.

Under the Environmental Protection Act (Act) (415 ILCS 5 (2020)), the Attorney General and the State's Attorneys may bring actions before the Board on behalf of the People to enforce Illinois' environmental requirements. *See* 415 ILCS 5/31 (20120; 35 Ill. Adm. Code 103. In this case, the People allege that Amstar violated Section 9(a) of the Act (415 ILCS 5/9(a) (2020)) and Sections 218.586(i)(1)(B), (i)(2)(A), and (i)(2)(C) of the Board's air pollution regulations (35 Ill. Adm. Code 218.586(i)(1)(B), (i)(2)(A), (i)(2)(C)).

The People allege that Amstar committed these violations by failing to timely submit a notice of intent to decommission its vapor collection and control system and a decommissioning checklist, certification, and test results to the Illinois Environmental Protection Agency (IEPA); failing to timely decommission the system; and causing, threatening, or allowing the discharge or emission of volatile organic compounds into the environment.

On March 30, 2022, the People and Amstar filed a stipulation and proposed settlement, accompanied by a request for relief from the hearing requirement of Section 31(c)(1) of the Act (415 ILCS 5/31(c)(1) (2020)). This filing is authorized by Section 31(c)(2) of the Act (415 ILCS 5/31(c)(2) (2020)), which requires that the public have an opportunity to request a hearing whenever the State and a respondent propose settling an enforcement action without a public hearing. *See* 35 Ill. Adm. Code 103.300(a). The Board provided notice of the stipulation, proposed settlement, and request for relief. The newspaper notice was published in the *Daily Southtown* on April 10, 2022. The Board did not receive any requests for hearing. The Board grants the parties' request for relief from the hearing requirement. *See* 415 ILCS 5/31(c)(2) (2020); 35 Ill. Adm. Code 103.300(b).

Section 103.302 of the Board's procedural rules sets forth the required contents of stipulations and proposed settlements. *See* 35 Ill. Adm. Code 103.302. These requirements include stipulating to facts on the nature, extent, and causes of the alleged violations and the nature of Amstar's operations. Section 103.302 also requires that the parties stipulate to facts called for by Section 33(c) of the Act (415 ILCS 5/33(c) (2018)), which bears on the reasonableness of the circumstances surrounding the alleged violations. Amstar does not affirmatively admit the alleged violations. The stipulation also addresses the factors of Section 42(h) of the Act (415 ILCS 5/42(h) (2020)), which may mitigate or aggravate the civil penalty amount. Under the proposed settlement, Amstar agrees to pay a civil penalty of \$5,000 within 30 days after the date of this order. The People and Amstar have satisfied Section 103.302. The Board accepts the stipulation and proposed settlement.

This opinion constitutes the Board's findings of fact and conclusions of law.
