Respondent.)	

ORDER OF THE BOARD (J. Theodore Meyer):

This matter comes before the Board on a September 6, 1995 Amended Petition for Variance filed by the Village of Lake in the Hills (Village) under case number PCB 95-108. A final Board order was entered in PCB 95-108 on July 7, 1995; therefore, the docket is closed and an amended petition cannot be accepted. In addition, the 35-day period for reconsideration or appeal elapsed before this filing was received; therefore, the Board will not accept it as a motion to modify the July 7, 1995 Board order. The Board also notes that, according to the Illinois Environmental Protection Agency, no signed Certificate of Acceptance was received from the Village.

The Board will, however, accept this filing as a new petition for variance and open a new docket, PCB 96-67. Village is directed to submit the \$75.00 filing fee. Submission of the filing fee will re-start the Board's decision timeclock in this matter. Failure to submit the filing fee on or before November 6, 1995 will subject this petition to dismissal.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 21st day of September, 1995, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
