**HEARING OFFICER ORDER**

On August 3, 2022, a telephonic status conference was held. Counsel for the complainant and respondent's consultant appeared. It was reported that the consultant forwarded documents to the respondent for review. Counsel for the complainant anticipates that the review will be completed soon. Counsel stated that she has prepared a draft settlement offer that will be forwarded to the respondent once the documents are found satisfactory. It is noted that complainant's motion to deem facts admitted and a motion for summary judgment has been filed with the Board.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on August 9, 2022, at 10:30 a.m. The telephonic status conference must be initiated by the complainant, and provide a call-in number, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
