ORDER OF THE BOARD (by A. Palivos):

On August 4, 2022, at the petitioner's request, the Illinois Environmental Protection Agency (Agency) timely filed a request to extend the 35-day period within which the City of North Chicago (City) may appeal a July 1, 2022 determination of the Agency, which on information and belief, was served on the City on or about July 5, 2022. The determination concerns the City's proposed RCRA Closure Plan for the former R. Lavin & Sons/North Chicago Refiners & Smelters site (site) located at 2028 Sheridan Road, North Chicago, Cook County. The Agency denied the City's request to terminate the post-closure care for the site because specified conditions have not been met.

The Board extends the appeal period until Monday, November 7, 2022, as the City requests and to which the Agency consents. *See* 415 ILCS 5/40(a)(1) (2020); 35 Ill. Adm. Code 105.406. If the City fails to file an appeal on or before that date, the Board will dismiss this case and close the docket.

IT IS SO ORDERED.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on August 11, 2022, by a vote of 5-0.

Don A. Brown, Clerk
