JURISDICTION

This Administrative Citation is issued pursuant to the authority vested in the Illinois Environmental Protection Agency by Section 31.1 of the Illinois Environmental Protection Act, 415 ILCS 5/31.1 (2002).

FACTS

1. That Colorado Real Estate & Investment Co., (Kingspark Mobile Estates), is the present owner and operator of a facility located at 1821 N. Lancelot Place, Peoria, Peoria County, Illinois. The property is commonly known to the Illinois Environmental Protection Agency as Kingspark Estates.

2. That said facility is an open dump operating without an Illinois Environmental Protection Agency Operating Permit and is designated with Site Code No. 1438070008.

3. That Respondent has owned and operated said facility at all times pertinent hereto.

4. That on October 16, 2003, John Tripses of the Illinois Environmental Protection Agency's Peoria Regional Office inspected the above-described facility. A copy of his inspection report setting forth the results of said inspection is attached hereto and made a part hereof.

VIOLATIONS

Based upon direct observations made by John Tripses during the course of his October 16, 2003 inspection of the above-named facility, the Illinois Environmental Protection Agency has determined that Respondent has violated the Illinois Environmental Protection Act (hereinafter, the "Act") as follows:

- (1) That Respondent caused or allowed the open dumping of waste in a manner resulting in litter, a violation of Section 21(p)(1) of the Act, 415 ILCS 5/21(p)(1) (2002).
- (2) That Respondent caused or allowed the open dumping of waste in a manner resulting in open burning, a violation of Section 21(p)(3) of the Act, 415 ILCS 5/21(p)(3) (2002).
- (3) That Respondent caused or allowed the open dumping of waste in a manner resulting in deposition of general construction or demolition debris or clean construction or demolition debris, a violation of Section 21(p)(7) of the Act, 415 ILCS 5/21(p)(7) (2002).

CIVIL PENALTY

On August 8, 2002, the Board found Colorado Real Estate & Investment Co., (Kingspark Mobile Estates) in violation of Section 21(p)(1) of the Act in AC 02-32.

Because this Administrative Citation addresses a second or subsequent violation of Section 21(p), pursuant to Section 42(b)(4-5) of the Act, 415 ILCS 5/42(b)(4-5) (2002), Respondent is subject to a civil penalty of Three Thousand Dollars (\$3,000.00) for each of the violations identified above, for a total of Nine Thousand Dollars (\$9,000.00). If Respondent elects not to petition the

Illinois Pollution Control Board, the statutory civil penalty specified above shall be due and payable no later than December 31, 2003, unless otherwise provided by order of the Illinois Pollution Control Board.

If Respondent elects to contest this Administrative Citation by petitioning the Illinois Pollution Control Board in accordance with Section 31.1 of the Act, 415 ILCS 5/31.1 (2002), and if the Illinois Pollution Control Board issues a finding of violation as alleged herein, after an adjudicatory hearing, Respondent shall be assessed the associated hearing costs incurred by the Illinois Environmental Protection Agency and the Illinois Pollution Control Board. Those hearing costs shall be assessed in addition to the Three Thousand Dollar (\$3,000.00) statutory civil penalty for each violation.

Pursuant to Section 31.1(d)(1) of the Act, 415 ILCS 5/31.1(d)(1) (2002), if Respondent fails to petition or elects not to petition the Illinois Pollution Control Board for review of this Administrative Citation within thirty-five (35) days of the date of service, the Illinois Pollution Control Board shall adopt a final order, which shall include this Administrative Citation and findings of violation as alleged herein, and shall impose the statutory civil penalty specified above.

When payment is made, Respondent's check shall be made payable to the Illinois Environmental Protection Trust Fund and mailed to the attention of Fiscal Services, Illinois Environmental Protection Agency, 1021 North Grand Avenue East, P.O. Box 19276, Springfield, Illinois 62794-9276. Along with payment, Respondent shall complete and return the enclosed Remittance Form to ensure proper documentation of payment.

If any civil penalty and/or hearing costs are not paid within the time prescribed by order of the Illinois Pollution Control Board, interest on said penalty and/or hearing costs shall be assessed against the Respondent from the date payment is due up to and including the date that payment is received. The Office of the Illinois Attorney General may be requested to initiate proceedings against Respondent in Circuit Court to collect said penalty and/or hearing costs, plus any interest accrued.

PROCEDURE FOR CONTESTING THIS
ADMINISTRATIVE CITATION

Respondent has the right to contest this Administrative Citation pursuant to and in accordance with Section 31.1 of the Act, 415 ILCS 5/31/1 (2002). If Respondent elects to contest this Administrative Citation, then Respondent shall file a Petition for Review, including a Notice of Filing, Certificate of Service, and Notice of Appearance, with the Clerk of the Illinois Pollution Control Board, State of Illinois Center, 100 West Randolph, Suite 11-500, Chicago, Illinois 60601. A copy of said Petition for Review shall be filed with the Illinois Environmental Protection Agency's Division of Legal Counsel at 1021 North Grand Avenue East, P.O. Box 19276, Springfield, Illinois 62794-9276.

Section 31.1 of the Act provides that any Petition for Review shall be filed within thirty-five (35) days of the date of service of this Administrative Citation or the Illinois Pollution Control Board shall enter a default judgment against the Respondent.

Narrative

At about 11:45 a.m. on October 16, 2003, I was driving east on Illinois Route 8 (Southport Road) in Peoria Township. As I passed Kingspark Estates, I noticed a large amount of smoke coming from behind a chain link fence. Kingspark Estates is a mobile home park.

I drove into the park. The smoke was coming from a fenced area next to the office building. Inside the fenced area was a pile of burning waste approximately 27 feet long, 12 feet wide, and 5 feet high (approximately 20 cubic yards). The waste consisted of bags of landscape waste, insulation, metal, demolition debris, and general refuse. See photographs 1, 2, 3, 4, 5, 12, 15, and 17. Along the north side of the fenced area were approximately 50 tires. See photograph 6. Wood waste and metal waste were dumped along the along the north and west sides of the fenced area. See photographs 7, 8, and 16. Concrete blocks, wood, a tire, and metal were dumped along the south side of the fenced area. See photographs 10 and 13.

I went into the office building and asked to speak to the person in charge. I was directed to Lisa Weghorst who said that she was the Area Property Supervisor. I described to her what I observed and told her that the open dumping and open burning were violations of the Illinois Environmental Protection Act and Illinois Pollution Control Board Regulations. She said that she was unaware that they couldn't open dump and open burn and that the fire would be put out. I told her that this was not the first time that open dumping had been observed at Kingspark Estates and that the property owner had paid a \$3,000 administrative citation penalty for open dumping in 2001. She said that she was aware of the penalty. She wanted to know what the violations were for the open dumping and open burning. I explained them. I left the site at about 12:10 p.m.

The following apparent violations of the Illinois Environmental Protection Act and Illinois Pollution Control Board Regulations were observed:

1. Pursuant to Section 9(a) of the {Illinois} Environmental Protection Act (415 ILCS 5/9(a)), no person shall cause or threaten or allow the discharge or emission of any contaminant into the environment in any State so as to cause or tend to cause air pollution in Illinois, either alone or in combination with contaminants from other sources, or so as to violate regulations or standards adopted by the Board under this Act.

A violation of Section 9(a) is alleged for the following reason: Evidence of open burning which would cause or tend to cause air pollution in Illinois was observed during the inspection.

2. Pursuant to Section 9(c) of the {Illinois} Environmental Protection Act (415 ILCS 5/9(c)), no person shall cause or allow the open burning of refuse, conduct any salvage operation by open burning, or cause or allow the burning of any refuse in any chamber not specifically designed for the purpose and approved by the Agency pursuant to regulations adopted by the Board under this Act.

A violation of Section 9(c) is alleged for the following reason: **Evidence of open burning was observed during the inspection.**

3. Pursuant to Section 21(a) of the {Illinois} Environmental Protection Act (415 ILCS 5/21(a)), no person shall cause or allow the open dumping of any waste.

A violation of Section 21(a) is alleged for the following reason: **Evidence of open dumping of waste was observed during the inspection.**

4. Pursuant to Section 21(d)(2) of the {Illinois} Environmental Protection Act (415 ILCS 5/21(d)(2)), no person shall conduct any waste-storage, waste-treatment, or waste-disposal operation in violation of any regulations or standards adopted by the Board under this Act.

A violation of Section 21(d)(2) is alleged for the following reason: **A waste disposal operation was conducted in violation of regulations adopted by the Illinois Pollution Control Board.**

5. Pursuant to Section 21(e) of the {Illinois} Environmental Protection Act (415 ILCS 5/21(e)), no person shall dispose, treat, store or abandon any waste, or transport any waste into this State for disposal, treatment, storage or abandonment, except at a site or facility which meets the requirements of this Act and of regulations and standards thereunder.

A violation of Section 21(e) is alleged for the following reason: **Waste was disposed at this site which does not meet the requirements of the Act and regulations thereunder.**

6. Pursuant to Section 21(p)(1) of the {Illinois} Environmental Protection Act (415 ILCS 5/21(p)(1)), no person shall, in violation of subdivision (a) of this Section, cause or allow the open dumping of any waste in a manner which results in litter.

The prohibitions specified in this subsection (p) shall be enforceable by the Agency either by administrative citation under Section 31.1 of this Act or as otherwise provided by this Act. The specific prohibitions in this subsection do not limit the power of the Board to establish regulations or standards applicable to open dumping.

A violation of Section 21(p)(1) is alleged for the following reason: **The open dumping of waste was caused or allowed in a manner which resulted in litter.**

7. Pursuant to Section 21(p)(3) of the {Illinois} Environmental Protection Act (415 ILCS 5/21(p)(3)), no person shall, in violation of subdivision (a) of this Section, cause or allow the open dumping of any waste in a manner which results in open burning.

A violation of Section 21(p)(3) is alleged for the following reason: **The open dumping of waste was caused or allowed in a manner which resulted in open burning.**

8. Pursuant to Section 21(p)(7) of the {Illinois} Environmental Protection Act (415 ILCS 5/21(p)(7)), no person shall cause or allow the open dumping of waste in a manner that results in deposition of general or clean construction or demolition debris.

A violation of Section 21(p)(7) is alleged for the following reason: **The open dumping of waste was caused or allowed in a manner which resulted in deposition of general or clean construction or demolition debris.**

9. Pursuant to Section 55(a)(1) of the {Illinois} Environmental Protection Act (415 ILCS 5/55(a)(1)), no person shall cause or allow the open dumping of any used or waste tire.

A violation of Section 55(a)(1) is alleged for the following reason: **Evidence of open dumping of used or waste tires was observed during the inspection.**

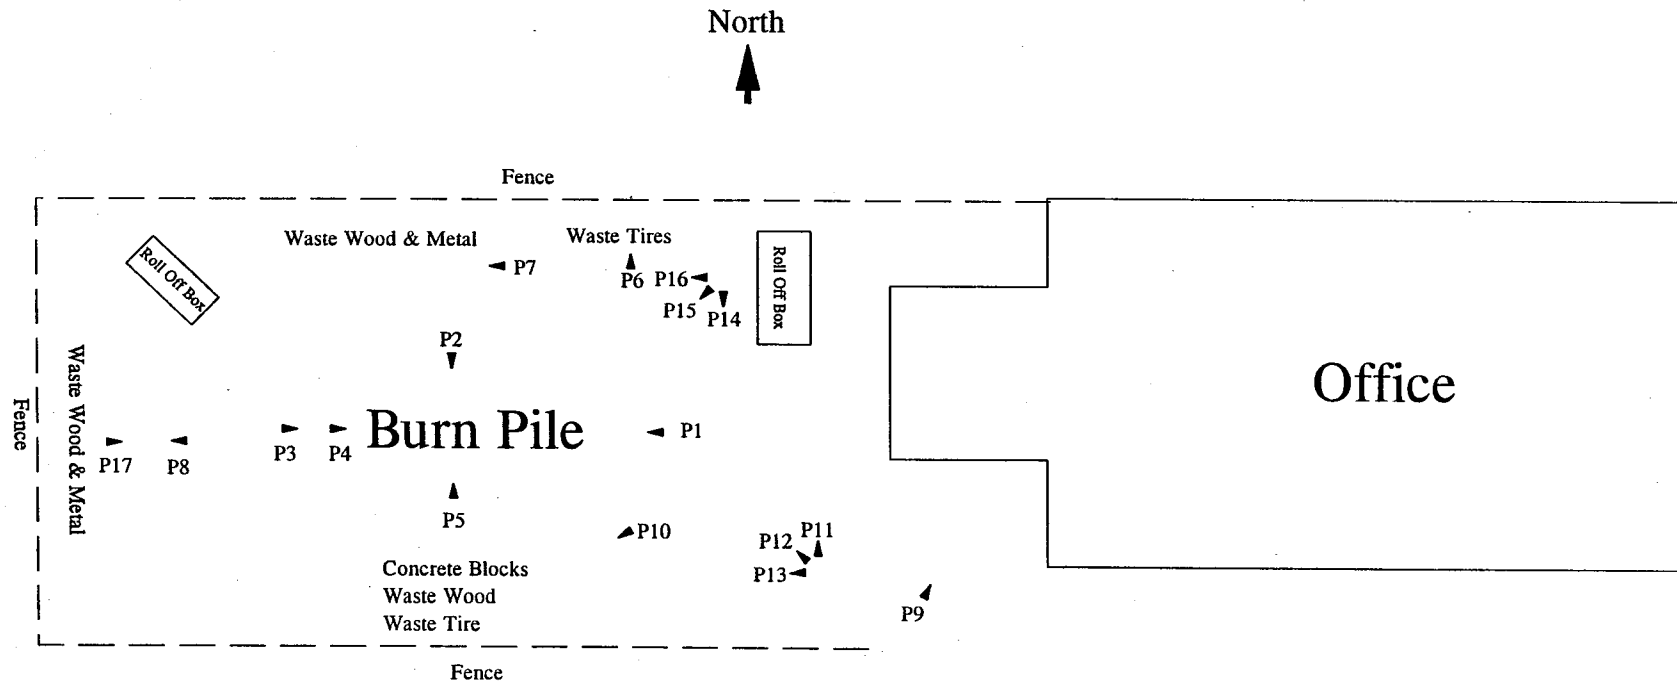

10. Pursuant to Pursuant to 35 Ill. Adm. Code 815.201, all landfills regulated under this Part shall file an initial facility report with the Agency as specified in this Subpart to provide information concerning location and disposal practices of the facility.

A violation of 35 Ill. Adm. Code 815.201 is alleged for the following reason: **A waste disposal site was operated without submitting to the Illinois EPA the initial facility report.**
