REQUEST FOR NINETY DAY EXTENSION OF APPEAL PERIOD

NOW COMES the Petitioner by and through its attorney Heidi E. Hanson, H. E. Hanson Esq. P.C. and pursuant to Section 40(a)(1) of the Illinois Environmental Protection Act (415 ILCS 5/40(a)(1)) and 35 Ill Adm. Code 105.208, hereby requests that the Board grant a full ninety day extension of the appeal period, which would cause the permit appeal to be due not later than one hundred and twenty five days from the date of service of the Illinois EPA's final decision. In support thereof Petitioner states as follows:

1. In telephone conversations on January 5th and 6th, Respondent, the Illinois Environmental Protection Agency through its attorney, Ms. Maureen Wozniak, agreed to join with Petitioner in requesting this extension.
2. On December 1, 2003 the Illinois Environmental Protection Agency mailed Oasis the final CAAPP permit which is the subject of this extension. See attached photocopy of envelope.
3. That on information and belief, Oasis received it within two or three days of mailing and that having been postmarked December 1, 2003 it could not have been received by Oasis prior to December 2, 2003, therefore this filing is timely.

4. The additional time requested by the parties may eliminate the need for a hearing in this matter or in the alternative allow the parties to identify issues and limit the scope of any hearing that may be necessary to resolve this matter.

WHEREFORE, for the reasons stated above, the parties request that the Board in the interest of administrative and judicial economy, grant this request for a ninety-day extension of the thirty five day period for petitioning for a hearing.

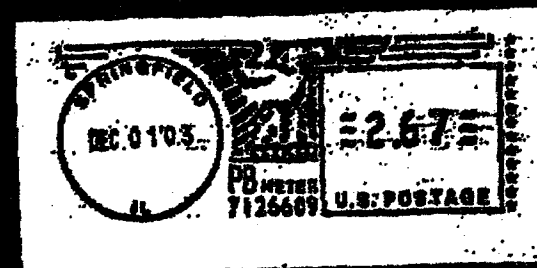

Respectfully submitted.
