HEARING OFFICER ORDER

On April 22, 2004, a telephonic status conference was held. Respondent was unable to appear due to a conflict. The complainant represented that a draft stipulation and proposal for settlement (stipulation) is presently being discussed by the parties. The complainant remain optimistic that this matter will be resolved without the necessity of a hearing.

The parties are directed to participate in a telephonic status conference with the hearing officer on June 24, 2004, at 10:00 a.m. The status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
