My name is Paul. Everyone should have signed something like this and it should be in the book. See you at 1pm.

I understand the name is Paul. But who are you affiliated with ? We are not meeting or handing out project info to just anyone.

I have talked to Bolingbrook.  
They have no idea who u are.  
Now any corrections needed we  
will do. But I can tell you this. I'm  
not meeting with until you share  
with us your affiliation. So again.  
Anything else is trespassing until  
we know credentials. Stop
