ORDER OF THE BOARD (by J. Van Wie):

On February 23, 2023, Whitmore Management, Inc. (Whitmore) filed a motion to voluntarily dismiss this appeal, which concerns a leaking underground storage tank (UST) site located at 401 South Chicago Street in Milford, Iroquois County. Whitmore had filed a petition for review of a determination by the Illinois Environmental Protection Agency (Agency) in which the Agency approved Whitmore’s corrective action plan but modified a portion of the proposed budget by removing consultant’s personnel costs for the leaking UST site. The Board grants Whitmore’s motion for voluntary dismissal, dismisses the appeal, and closes the docket.

IT IS SO ORDERED.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on March 2, by a vote of 4-0.
