ORDER OF THE BOARD (by C.A. Manning):

On January 10, 1996, the Illinois Environmental Protection Agency (Agency) and Frederick Cooper Lamps, Inc., (Cooper) filed a notice of extension of the 35-day appeal period pursuant to Section 40 of the Act, relating to a December 6, 1995 Agency determination regarding Cooper's permit application.

P.A. 88-690 (SB1724) effective January 24, 1995, amends Section 40(a)(1), which governs the permit appeal process, to provide:

the 35-day period for petitioning for a hearing may be extended for a period of time not to exceed 90 days by written notice provided to the Board from the applicant and the Agency within the initial appeal period.

As the Board maintains its files by docket number only, the Board will reserve Docket PCB 96-158 for any appeal which may be filed by Cooper. In the event that Cooper fails to file an appeal on or before March 5, 1996 (the 90th day after December 6, 1995), the Board will dismiss the docket as unnecessary. A \$75.00 filing fee will, of course, be required at such time as Cooper files such petition.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 18th day of January, 1996, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
