HEARING OFFICER ORDER

On June 28, 2023, the People filed an unopposed motion for extension of time until September 30, 2023 to respond to respondent's motion to strike or dismiss the complaint. Noting that this is the People's seventh such motion, it is in the interest of administrative efficiency to stay the deadline for the response while the parties discuss settlement. If settlement discussions reach an impasse a deadline will be reinstated.

The People are directed to file a status report in this case by January 2, 2024 if no settlement agreement has been filed by that date.

IT IS SO ORDERED.
