IN THE MATTER OF:)
)
PETITION OF KEYSTONE STEEL) R90-22
AND WIRE COMPANY FOR HAZARDOUS) (Site-Specific
WASTE DELISTING) Rulemaking)
)

ORDER OF THE BOARD BY (J. Anderson):

This matter comes before the Board on its own motion to correct its Order of September 27, 1990 and with regards to the transfer of the petitioner's delisting petition and files from the United States Environmental Protection Agency (USEPA) to the Board. The State of Illinois was authorized to carry out its hazardous waste delisting program in lieu of the Federal delisting program on April 30, 1990. (55 Federal Register 7320, March 1, 1990.) The USEPA has transferred to the Board those delisting petitions which were filed with the USEPA before April 30, 1990 and which are still pending. These petitions have been accepted by the Board and are construed as having been properly filed with the Board through the transfer of jurisdiction from USEPA.

The delisting petition in the present case was filed with the USEPA after April 30, 1990 when USEPA did not have jurisdiction over delisting petitions for the State of Illinois. Therefore, this delisting petition, although transferred from the USEPA, is only now being properly filed with the agency with jurisdiction to accept the petition. As such, the Board needs to correct its September 27, 1990 Order which accepted the transferred delisting petition and directed the petitioner to supply the Board with certain information by October 17, 1990.

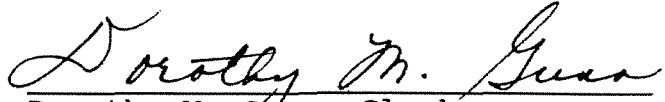

The Board hereby corrects its prior Order by adding that petitioner needs to pay a filing fee of seventy-five dollars (\$75.00) for the petition for site-specific rulemaking. (Ill. Rev. Stat. 1989, ch. 111 1/2, par 1007.5 and 35 Ill. Adm. Code 101.120(b).) The petitioner has until October 23, 1990 to pay the Clerk of the Board. The Board will also extend the date petitioner's response must be in the Board's offices to October 23, 1990.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the

17th day of October, 1990, by a vote of

6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
