RE WASTE TRANSFER STATION - CARY, IL
CASE NO. PCB 03-221

Dear Ms. Gunn

As a resident of Cary and one who attended the August 14th IPCB hearing, I ask that the Board consider what is best for the community and deny Marshall Lowe's appeal regarding the waste transfer station. It has been proven over and over again that this is not the appropriate area for such a facility.

Again, please think of the citizens and not just the greed of one individual who wants to line his pockets at our expense.

Thank you for your consideration.

Sincerely

Mary C Daley
