**HEARING OFFICER ORDER**

On September 7, 2023, all parties participated in a telephonic status conference. The complainant reported that it has received the decommissioning checklist but awaits test results. Respondent stated that he is working to locate the test results. Respondent’s attorney also stated that he has contacted the new owner and that it will get retested and/or reach out to the environmental company to discern whether new pumps/tanks were installed.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on October 26, 2023, at 9:30 a.m. The telephonic status conference must be initiated by the complainant, and provide a call-in number, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
