ORDER OF THE BOARD (by M.D. Mankowski):

On September 20, 2023, the parties timely filed a joint notice to extend the 35-day period within which Casey's Retail Stores (Casey's) may appeal an August 21, 2023 determination of the Illinois Environmental Protection Agency (Agency). The determination concerns Casey's underground storage tank (UST) site located at 1133 West Jefferson in Springfield, Sangamon County. The Agency responded to Casey's 45-Day Report and Stage 1 Site Investigation Plan and Budget by concluding that the incident is not subject to the Act and Board regulations and that the Agency has no reporting requirements concerning it.

The Board extends the appeal period until Thursday, December 28, 2023, as the parties request.<sup>1</sup> See 415 ILCS 5/40(a)(1) (2022); 35 Ill. Adm. Code 105.406. If Casey's fails to file an appeal on or before that date, the Board will dismiss this case and close the docket.

IT IS SO ORDERED.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on October 5, 2023, by a vote of 4-0.

Don A. Brown, Clerk  
Illinois Pollution Control Board

<sup>1</sup> While the request includes September 20, 2023 correspondence from Casey's to IEPA seeking a 60-day extension, IEPA requests that the Board extend the deadline by 90 days under Section 40(a)(1) of the Act. See 415 ILCS 5/40(a)(1) (2022).
