COMPLAINANTS MOTION TO DISMISS CASE WITHOUT PREJUDICE

On 12/12/22 complainant Paul Christian Pratapas filed with the board a formal complaint against Willie Bros. Company and DuPage County Sheriff for dumping and burying highly toxic concrete washout. And then directing the Willie Bros. Branded concrete truck to run into complainant who was trying to determine the project's permit number for which to seek relief from The Government as afforded by the United States' Clean Water Act.

At this point, Complainant feels it would be as good if not better to pursue these issues as part of other formal complaints filed with The Board. As they are by no means unique. As such, Complainant requests The Board to dismiss formal complaint 2023-076 without prejudice.
