OPINION AND ORDER OF THE BOARD (by M.D. Mankowski):

On August 21, 2023, the Office of the Attorney General, on behalf of the People of the State of Illinois (People), filed a one-count complaint against Norma Bonelli-Zook d/b/a Fountain Valley Mobile Home Park. The complaint concerns respondent’s mobile home facility located at 1 Fountain Valley Road in Rantoul, Champaign County. The parties now seek to settle without a hearing. For the reasons below, the Board accepts the parties’ stipulation and proposed settlement.

Under the Environmental Protection Act (Act) (415 ILCS 5 (2022)), the Attorney General and the State’s Attorneys may bring actions before the Board on behalf of the People to enforce Illinois’ environmental requirements. *See* 415 ILCS 5/31 (2022); 35 Ill. Adm. Code 103. In this case, the People allege that Fountain Valley violated Section 12(a) and (f) of the Act (415 ILCS 5/12(a), (f)), Sections 305.102(b) and 309.102(a) of the Board’s water rules (35 Ill. Adm. Code 305.102(b), 309.102(a)), and Special Condition 5 of its National Pollutant Discharge Elimination System (NPDES) Permit. The People allege that Fountain Valley committed these violations by failing to submit discharge monitoring reports as required by its NPDES Permit from at least June 2020 through May 2021 and causing, threatening, or allowing discharges into the waters of the State of Illinois in violation of its NPDES permit and Board regulations.

On August 21, 2023, the People and respondent filed a stipulation and proposed settlement, accompanied by a request for relief from the hearing requirement of Section 31(c)(1) of the Act (415 ILCS 5/31(c)(1) (2022)). This filing is authorized by Section 31(c)(2) of the Act (415 ILCS 5/31(c)(2) (2022)), which requires that the public have an opportunity to request a hearing whenever the State and a respondent propose settling an enforcement action without a public hearing. *See* 35 Ill. Adm. Code 103.300(a). The Board provided notice of the stipulation, proposed settlement, and request for relief. The newspaper notice was published in *The News-Gazette* of Champaign on September 13, 2023. The Board did not receive any requests for hearing. The Board grants the parties’ request for relief from the hearing requirement. *See* 415 ILCS 5/31(c)(2) (2022); 35 Ill. Adm. Code 103.300(b).

Section 103.302 of the Board's procedural rules sets forth the required contents of stipulations and proposed settlements. *See* 35 Ill. Adm. Code 103.302. These requirements include stipulating to facts on the nature, extent, and causes of the alleged violations and the nature of respondent's operations. Section 103.302 also requires that the parties stipulate to facts called for by Section 33(c) of the Act (415 ILCS 5/33(c) (2022)), which bears on the reasonableness of the circumstances surrounding the alleged violations. Respondent admits the alleged violations. The stipulation also addresses the factors of Section 42(h) of the Act (415 ILCS 5/42(h) (2022)), which may mitigate or aggravate the civil penalty amount. Under the proposed settlement, respondent agrees to pay a civil penalty of \$7,500 within 30 days after the date of this order. The People and respondent have satisfied Section 103.302. The Board accepts the stipulation and proposed settlement.

This opinion constitutes the Board's findings of fact and conclusions of law.

Illinois Supreme Court Rule 335 establishes filing requirements that apply when the Illinois Appellate Court, by statute, directly reviews administrative orders. 172 Ill. 2d R. 335.
