SUBJECT: LPC # 1350605003-Montgomery County
Schram City/Pease, Luie & Mary
FOS File

An open dump inspection was conducted on June 16, 2003 due to a complaint received on the day of this inspection.

The site is located at the southwest corner of School Street and 21st Street in the Village of Schram City, Illinois. The property is owned by Luie W Pease and Mary Pease per attached Corporate Joint Tenancy Warranty Deed. The mailing address for the property owners is 2016 School Street, Hillsboro, IL 62049.

The site was previously inspected on 3 occasions, February 13, 2002, March 15, 2002, and April 30, 2002. At the time of the February 13, 2002 inspection several violations of the Environmental Protection Act that were observed. As a result of this inspection Mr. Luie Pease was given a Non-compliance Advisory Letter (NCAL). On March 15, 2002 a re-inspection of the site was conducted. During the inspection it was noticed that some progress had been made towards the cleanup of the site. For this reason Mr. Pease was granted an extension to the compliance deadline. During the April 30, 2002 inspection it appeared that Mr. Pease had complied with the corrective actions required in the NCAL and a letter of compliance was given.

Prior to the inspection I contacted the Village of Schram City Water Clerk, Marcia Eller, about the Pease property. Ms. Eller said that the Village has contacted Mr. Pease several times about the condition of the property but Mr. Pease has made no effort to clean up the property. Ms. Eller also informed me that Mr. Pease was no longer residing at the property and the water had been shut off due to non payment of the water bill.

I arrived at the site at 9:55 a.m. The temperature was about 75°F with clear skies. There was a light breeze coming from the south and the soil condition was dry. No one was met at the site during the inspection. The property appeared to be abandoned.

Observed at the site were various types of waste consisting of plastic toys, junk lawnmowers, lawnmower parts, furniture, dimensional lumber, bicycles, bicycle parts, domicile waste, clothes, an estimated 30 used or waste tires both on and off rims, two

abandoned vehicles, fuel containers, scrap metal, and sections of deteriorated wood fence. These wastes were placed in various locations throughout the property (photos 001, 002, 003, 004, 009, 010 & site sketch). Located on the south side of the property was an open topped structure. Within the structure were several used/waste tires, furniture, several full garbage bags, dimensional lumber, bicycle parts, a boat, and other assorted wastes. Large openings in the roof and sides of the structure left all of these wastes exposed to the weather (photos 005, 006, 007, & 008). Also located on the property was house that was in extremely poor condition. An opening observed in the south side of the house was exposing additional waste (photo 012). The entrance way to the basement of the house was open and the basement was full of water (photo 011). The open basement was reported to the Village Clerk.

Shown in photo 010 are sections of wood fence. During the March 15, 2002 inspection Mr. Pease stated that the sections of wood fence were to be painted and re-constructed on the property. It appeared that no attempt had been made to restore or re-construct the fence. The fence was still in the same location that it was in during the March 15, 2002 inspection and was beginning to deteriorate.

I left the site at 10:20 a.m.

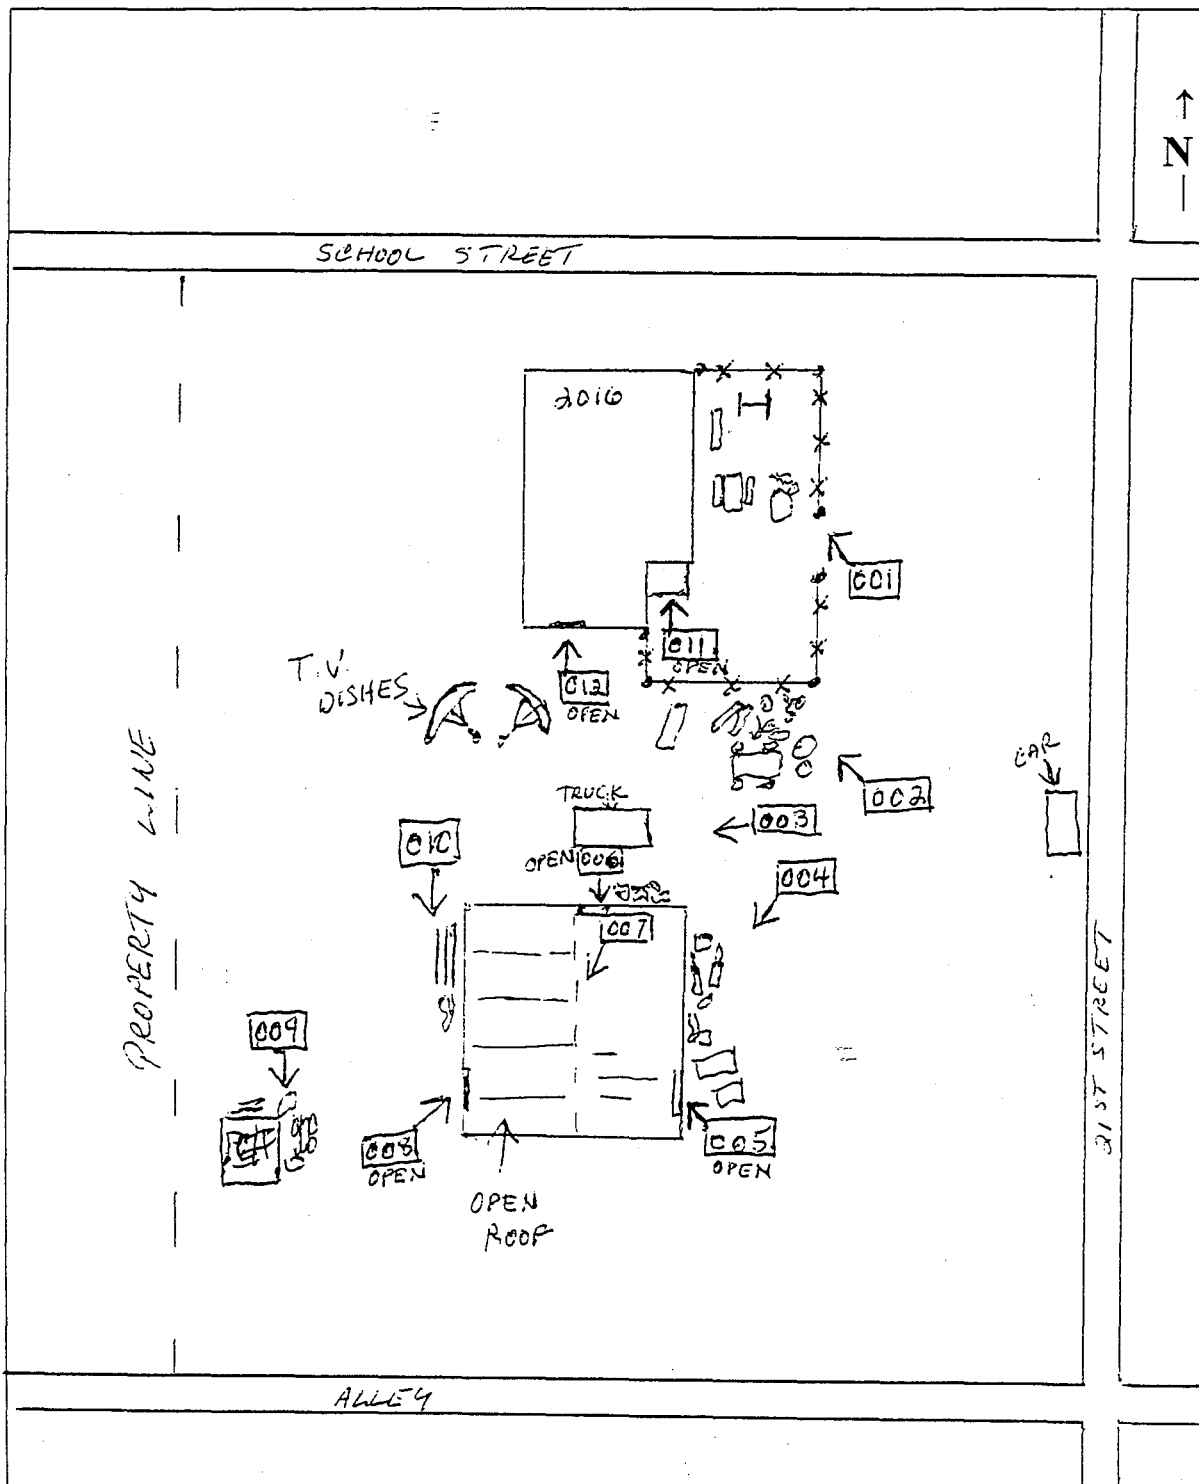

See attached Open Dump Checklist for apparent violations.

On June 17, 2003 I spoke with Attorney Steven Cullison of the Cullison & Vanderver Law Office. Mr. Cullison is the Attorney for Schram City. Mr. Cullison said that he has sent Mr. Pease several letters on behalf of Schram City regarding the condition of the property. Mr. Pease has not responded to these letters. This has been an ongoing problem for about the past 5 years. Mr. Cullison then added that he would provide me with copies of the letters he has sent to Mr. Pease concerning this matter. Copies of these letters will be included in this inspection report.

RE: Luie Pease Property in Schram City

Dear Mr. Gonet:

Enclosed please find copies of the following involving the Luie Pease property located on School Street in the Village of Schram City:

- A. Notice to Abate Nuisance dated May 21, 1997.*
- B. Notice to Abate Nuisance dated October 1998.*
- C. Notice to Abate Nuisance dated March 23, 2001.*
- D. Notice to Abate Nuisance dated February 4, 2002.*
- E. Notice to Abate Nuisance dated June 7, 2002.*
- F. Supervision Order entered in July 1997 in Case No. 97-OV-52 imposing fine upon Luie Pease and ordering him to clean up property.*

I believe there was actually a further notice to abate nuisance sent to Luie Pease a few months ago but I am unable to locate a copy of it at this time.

It has been a continuous battle for the Village to try to get Luie Pease to clean up his property over the last approximately six

years. I hope that your Department and the Illinois EPA might have more success.

Sincerely,

Stephen R. Cullison
